COR - 0706

15 December 1959

MEMORANDUM FOR : Acting Chief, DPD

SUBJECT : Development Branch Activity Report 7 - 11 December 1959

1. CORONA and ARGON:

Routine. A CORONA Activity Program has been forwarded for approval to cover overruns.

2. OXCART:

a. A status report of OXCART was presented at the weekly DPD Staff Meeting 8 December and reported in the minutes of the meeting.

b. Messrs. Kiefer and [] joined the DD/P, Dr. Baker and Dr. Scott on a review of OXCART camera matters.

3. CHALICE:

A CHALICE Development Activity Program has been submitted for approval.

4.

25X1

5. General:

a. [] attended a brief meeting with Air Weather Service personnel on high altitude weather problems. Basic weather personnel philosophy is that insufficient data exists particularly at high latitudes for the prediction of atmospheric conditions to be encountered during normal OXCART profile. Some data was reviewed and appears to verify this position.
